# INTRODUCTION

JHW is an initiative to bridge the gap between Mankind – Insurance – Medical Fraternity. Our only agenda is to “Increase Medical Awareness”. We started with the desire to fit society's call: to be trustworthy and deserving of all the love and respect shown to us by mankind.

We strive to Educates, Enhance and Exercise the Best practices in society about Insurance and such related matters and are willing to get better at things, technology and strategy, we continuously move forward while creating a better environment to support an even stronger, “Medical Approach in a Helpful and Transparent Environment.”

To ensure this across the length and breadth of our initiative, we have relied upon the most helpful and ultimate care providers: Women, to be the core decision-making and participation entities in the channel.

# JOURNEY

- Our journey started 5 years ago; the primary objective was to increase medical awareness among people and provide benefits to society by organizing free camps like Blood Donation Camps, Eye Surgery Camps and Health Check-Up Camps from time to time.
- We organized Doctor's Marathon Run in 2019 for Medical Professionals and Medical Students to create awareness towards Health and Medicine in Society.
- Our biggest contributor is Just Health Fest (JHF) now known as Global Health and Wellness (GHWF) Festival India's First and Biggest Public Health Festival exclusively dedicated to the Healthcare & Wellness Industry where Knowledge, Products, and Services are brought together for the Society.
- Till now we have 20+ renowned Hospitals and 1000+ bright Health insurance Agents in our network.

Life is beautiful and to keep enjoying this beautiful journey, investments are necessary to be made. And a lot of precautions we also need to take!

We know, that when you suffer an ailment, you of course desire an at-the-moment treatment. Waiting for your consultation appointment can seem like forever when your physical condition is not well.

Health Insurance did not cover facilities like OPD consultation, proper guidance Basic Lab Tests, Home Sample collection for Lab tests etc.

But we under the banner of Just Health and Wellness wanted our efforts to cover every smallest and biggest detail in its services.

Get Discounted Preventive Health Check-ups, Privileged Treatment, and Discounted OPDs at Pioneer Labs and top-notch corporate hospitals.
